

LES AMIS
DU RUISSEAU
BOUCHARD

Engagement program

A project developed by

FONDATION
RUISSEAU
BOUCHARD

THE PROJECT

The aim of *Les Amis du ruisseau Bouchard* project is to mobilize local stakeholders to protect, enhance and ecologically restore the Bouchard creek watershed.

The **engagement program** aims to enable **businesses, institutions and organizations** to actively contribute to the ecological health of the creek through concrete, visible gestures.

PROGRAM DETAILS

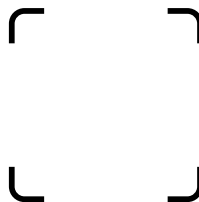

The program offers three progressive levels of commitment:

- 1 One-time commitment
- 2 Annual involvement
- 3 Strategic partner

INVOLVEMENT EXAMPLES

- Organization of a clean-up operation
- Planting by the stream
- Financial contribution
- Awareness-raising activity in the workplace
